Automated Daily Agenda Information Scroller

"The DDC Concierge system saves us a lot of time and hassle in getting our daily agenda information to our guests. Its a powerful tool to promote the property, and has also generated additional revenues through advertising. Our staff love it, our guests depend on it and the DDC creative & content management service ensures the content always looks great"

- Frank DiRocco, General Manager, Delta Meadowvale Resort & Conference Centre

- Hotel promotions
- Live weather, date & time
- Hotel messages
- Agenda information is linked directly to your event management software ie. Delphi
- Up to date news & stocks (optional)

We have the experience in system design to recommend the best display option based on your requirements, decor & budget. Choose from mobile or permanently installed fixtures designed to complement your lobby's interior. Display options include - 32", 40" or 45" LCD panels or 42", 50" or 60" plasma displays. We include full term maintenance support with all of our programs.
